

FUYL TOWER™

The FUYL Tower takes device charging and security to a whole new level. It's an intelligent charging station with 15 individually lockable compartments that can store and charge any mobile device.

Key features:

- **Efficient charging** — Each compartment is equipped with a power outlet and a 2.4 amp USB port, so you can charge almost any device, including: iPads, Tablets, Laptops, Chromebooks, mobile phones and more.
- **Highly Secure** — The digital keypad controls the security of every compartment. Additionally, the management software records every time a compartment is opened or closed, enabling administrators to investigate abnormal usage
- **WiFi Ready** — capable of connecting to your network with the built in WiFi functionality.
- **Intelligent Remote Management** features innovative software that enables administrators to actively monitor locker usage anytime, anywhere

LARGE BASKETS BY PC LOCS

The Large Baskets by PC Locs is designed to store Tablets, Chromebooks, iPads, Laptops, Surface Pros or just about any device. They allow the users to easily and quickly deploy banks of 5 devices at once.

IQ 10 CHARGING STATION™

Charge, store and secure up to 10 iPad, iPad Air, iPad mini or any other compatible Tablet devices. Featuring the 5-slot Baskets by PC Locs, the IQ 10 Charging Station provides portability compared to the traditional cabinet.

CARRIER 10 CHARGING STATION™

The Carrier 10 Charging Station is designed to make Tablet, Chromebook, Laptop or iPad deployments easier and quicker. The Large Baskets by PC Locs allow the users to deploy banks of 5 devices at once.

CARRIER 40 CART™

Compatible with Chromebook™, Tablet, iPad® devices and more.

The Carrier 40 Cart takes device management to the next level. A complete system that offers more flexibility than any other Cart in its category.

Key features:

- *Improved cable management* — New centre channel system neatly holds the device cables in place.
- *Soft closing, sliding lid* secures up to 40 Chromebook, Tablet and iPad devices
- *ECO Safe Charge™* can handle power requirements of almost any device for safe and efficient charging.
- *Modular and future proofed* — Option to add syncing functionality with PC Locs iQ 16 Sync Charge Boxes.
- *New 5 slot carry baskets* gives users the flexibility to deploy devices with ease.
