

TRAINING & PROFESSIONAL DEVELOPMENT

An area that is often overlooked when technology is introduced into the classroom is Professional Development and Training. IG3 Education's Basic, Intermediate and Advanced training courses have been specifically designed to ensure proper usage of Interactive technologies and the integration thereof in the classroom. Professional Development and Training courses offered by IG3 Education include:

	Description
Basic Training	<p>4 Hours basic training on all EduTouch Interactive Solutions</p> <p>Material Supplied:</p> <ul style="list-style-type: none"> • Training Manuals • Training Videos
Intermediate Training	<p>Intermediate training is offered as an extension to basic training and is designed for the more experienced user. More focus is placed upon the integration of the technology in the classroom environment.</p>
Advanced Training	<p>Advanced training is available on request as courses are tailored to the school's specific requirements and are generally subject specific. The length of the course is determined by the school's individual requirements and needs.</p>

- All IG3 Education training is conducted by qualified teachers.
- Travel and accommodation charges may be applicable for certain areas.
- A maximum of 20 participants can be accommodated in a Basic PD & Training session.
- A maximum of 10 participants can be accommodated in an Intermediate PD & Training session.
