

EDUTOUCH KINDY SOLUTION

EDUTOUCH KINDY SOLUTION

The EduTouch Kinky Solution is designed specifically for use within the Kindergarten & Pre-School environment. The EduTouch 55" Panel is mounted securely to a Kinky trolley, and is available in a natural beech wood finish. The education software included with the EduTouch Kinky Solution provides teachers with a fully interactive education solution, with the flexibility of using any other software installed on their computers interactively on the EduTouch Panels. The ability to do gesturing and other multi-touch functions similar to that of handheld devices such as iPhone, iPad and other smart phone and tablet brands (a function many younger school learners are comfortable with).

Software included:

- Easiteach Next Generation
- Note Smartboard Software
- Snowflake MultiTeach 5
- Perceptual Skills
- ReadMe Literacy
- 4 Hours Basic Training

Optional Modular PC
