## EDUTOUCH KINDY SOLUTION

The EduTouch Kinky Solution is designed specifically for use within the Kindergarten & Pre-School environment. The EduTouch 55" Panel is mounted securely to a Kinky trolley, and is available in a natural beech wood finish. The education software included with the EduTouch Kinky Solution provides teachers with a fully interactive education solution, with the flexibility of using any other software installed on their computers interactively on the EduTouch Panels. The ability to do gesturing and other multi-touch functions similar to that of handheld devices such as iPhone, iPad and other smart phone and tablet brands (a function many younger school learners are comfortable with).

### Features:

- Integrated Android Interface with Touch Control (Whiteboard functionality without a PC)
- USB Wi-Fi Dongle – Web Browsing without a PC
- 20 Point Touch
- UHD Resolution (3840 x 2160)
- PC Module optional for all EduTouch Panels
- Toughened Glass (Mohs Scale Level 7)
- Anti-Glare Glass
- 5 Year Warranty
