

## Raz-Kids Reading Resources Helps Students Level Up to Better Reading

With billions of leveled readers already accessed across the world, Raz-Kids is an award-winning resource that provides a library of differentiated books at 29 levels of difficulty students use to practice reading in school, at home, or on the go. Digital and mobile access means that students get the personalized reading practice they need anytime, anywhere. And with easy-to-use online controls, teachers can quickly manage and track their students' reading progress in a matter of minutes.

- Provide meaningful online reading practice on computers and mobile devices with hundreds of leveled books and corresponding quizzes offered at 29 levels of reading difficulty.
- Encourage close reading skills and the reading and writing connection with interactive tools and constructed response quiz questions.
- Make practicing reading fun with the engaging Kids A-Z eLearning environment, which includes built-in motivational rewards.
- Easily track individual and class-wide progress with digital reports.

Raz-Kids' self-paced assignments deliver appropriately leveled books and quizzes for kids to read. Students automatically progress to the next level upon successful completion of an assigned level. With a robust collection of features that empower students to improve their reading while making it fun, it's easy to see why students read hundreds of millions of computer-based and mobile eBooks each year.

Raz-Kids' leveled books provide effective, differentiated reading practice for every student, at every reading level. eBooks can be assigned by a teacher or self-selected by students. Each text delivers a variety of reading opportunities designed to promote the reading and comprehension skills students need to thrive in the classroom and beyond.

Raz-Kids' leveled eBooks create an engaging, interactive reading experience that makes practicing reading fun. With a variety of fiction and nonfiction genres in each reading level, Raz-Kids' eBooks strengthen connections in literacy and content-area instruction, and allow students to read texts at their level and in their areas of interest anytime, anywhere.
