Leveled Reading Resources for Comprehensive Instruction.

Reading A-Z delivers research-based leveled reading resources at developmentally appropriate levels for every K-5 learning environment. The product contains a wealth of leveled materials and tools that make it easy to provide the personalized instruction each student needs.

Reading A-Z's leveled books are designed for today's diverse classrooms with students at a variety of reading levels. Whether students are currently reading below, at, or above their grade level, the product allows teachers to quickly select developmentally appropriate text for each student that will sufficiently challenge him or her and meet CCSS and other state and international reading guidelines. Leveled reading is critical to strengthening students' modern-day literacy skills. Unlike many other leveling systems, the Reading A-Z leveled books are meticulously differentiated using a proprietary algorithm that gradually increases the complexity of the content, including word choice, sentence complexity, and features of text structure. This way, we provide the just-right reading experience that students need to effectively strengthen kids' reading, fluency, vocabulary, and comprehension.
